

PROFESSIONAL LIFE CASTING

Babyprints professionals are specialists in hand and foot casting that capture all the tiny creases and curves which make each hand and foot so unique.

You can complement your life casts with a wide selection of exclusive solid wood frames and a wonderful choice of presentation styles and mount colours.

Every hand and foot has its individual characteristics which are wonderfully unique.
No two Babyprints are ever the same.

Loved ones grow up fast, life casts capture a moment in time that can be admired by generations to come.
